PROFESSIONAL SUMMARY

Innovative and detail-oriented individual with experience in database systems, Python, PHP, and full-stack web development using Angular. Skilled in building secure, data-driven applications with MySQL and backend technologies. Passionate about leveraging technology.

Work Experience

Junior Web Developer Intern

Greydient Lab - Feb 2026 - May 2026

- Assisted in developing and maintaining Websites.
- Collaborated with the team to implement front-end and back-end features.
- Fixed bugs and resolved issues reported during development and testing.
- Improved code structure through refactoring for better performance and maintainability.

PROJECTS

Core Atelier

<https://coreatelierpilates.com/>

- Served as an Assistant Developer, contributing to front-end development and backend improvements.
- Refactored existing functions to improve code readability, maintainability, and performance.
- Resolved client-reported issues, ensuring smoother functionality and improved user experience.

Teacher Evaluation System

<https://github.com/DevRaizen/evaluation>

- Developed a full-stack web application enabling students to evaluate teacher performance.
- Implemented Natural Language Processing (NLP) to analyze student feedback for meaningful insights.
- Built using Angular, PHP, Python, and MySQL

MayWeather

<https://github.com/DevRaizen/weatherApp>

- Developed a mobile application that provides users with real-time weather updates and forecasts.
- Integrated location services to deliver accurate, location-based weather information.
- Built using Ionic Framework, Angular, TypeScript, and RESTful APIs

SKILLS

- **Frontend:** React, Angular
- **Backend:** Node.js, Flask, PHP, C++, Java
- **Database:** MySQL, MongoDB
- **Tools & Technology:** Git/GitHub, WordPress, Tailwind, FileZilla, MCP Server

EDUCATION

Nueva Ecija University of Science and Technology

2022 - 2026

Bachelor of Science in Information and Communication Technology, Major in Database System Technology

Certifications

- **Certiport Certified: IT Specialist in Databases**
